

COTTON VALLEY COMPRESSION, L.L.C.

Shared Facilities

Requirement of the Federal Energy Regulatory Commission

"A Transmission Provider must post on its OASIS or Internet website, as applicable, a complete list of the facilities shared by the Transmission Provider and its Marketing and Energy Affiliates, including the types of facilities shared and their addresses." 18 C.F.R. § 358.4(b)(2).

Required Postings

The facilities owned by Cotton Valley are limited to approximately 700 feet of dual 4-inch diameter pipeline to which leased compression is attached. Cotton Valley does not have any office space, computer equipment, or other support facilities of its own. Instead, to the extent such support is required, Cotton Valley makes use of space, facilities, and expertise provided by its General Manager (Robert M. Kane) and Assistant Manager (Pamela R. Brown).¹ The physical location of these office facilities is located at: 117 W. 5th St., Suite 100 / Bartlesville, OK 74003. The mailing address is: P. O. Box 518 / Bartlesville, OK 74005.

¹ These individuals are officers and/or employees of White Hawk Gas, LLC / Wild West Gas, LLC, which qualifies as a Marketing/Energy Affiliate.
