

COTTON VALLEY COMPRESSION, L.L.C.

Shared Facilities

Updated February 23, 2009

Requirement - 18 C.F.R. § 358.7(e)(2)

A transmission provider must post on its Internet website a complete list of the employee-staffed facilities shared by any of the transmission provider's transmission function employees and marketing function employees. The list must include the types of facilities shared and the addresses of the facilities.

Required Postings

The facilities owned by Cotton Valley are limited to approximately 700 feet of dual 4-inch diameter pipeline to which leased compression is attached. Cotton Valley does not have any office space, computer equipment, or other support facilities of its own. Instead, to the extent such support is required, Cotton Valley makes use of space, facilities, and expertise provided by its General Manager (Robert M. Kane) and Assistant Manager (Pamela R. Brown).¹ The physical location of these office facilities is located at: 117 W. 5th St., Suite 100 / Bartlesville, OK 74003.

¹ These individuals are officers and/or employees of White Hawk Gas, LLC / Wild West Gas, LLC.
